TRANSFER AGREEMENT

UNIVERSITY OF NORTH GEORGIA

+

UNIVERSITY OF GEORGIA

GEORGIA

Two Institutions.

One impressive degree.

Interested in earning a bachelors degree in Poultry Science but not ready to attend the University of Georgia as a freshman? Our 2+2 degree in Poultry Science may be right for you! Take your foundational courses at the University of North Georgia Gainesville Campus while you earn your associate degree. Then, our formalized transfer process offers a seamless transition to UGA as a junior where you'll complete your BSA degree in Poultry Science. Contact us today for more information!
